Welcome!

We thank you for your interest in KB Alloys LLC. We are the leading producer of aluminum based grain refiners, master alloys, hardeners and specialty engineered products. Although we serve a diverse customer base around the globe we take pride in our "Made in the USA" heritage.

As a potential new customer we ask that you complete and return our credit application as well as review our standard terms and conditions of sale. Both forms are available for your convenience within our web-site www.kballoys.com.

Upon credit approval you can reach our customer service department to place your orders, inquire on price and availability or check on your order status. You may reach our customer service department at 800-523-8457 or via e-mail at customerservice@kballoys.com.

We look forward to serving you with our full line of proven products and fantastic technical support. Thank you again and welcome to KB Alloys LLC.

Sincerely,

A handwritten signature in black ink that reads 'Tim Donnelly'.
